Our STORY

**“ COURAGE IS NOT KNOWING THE
PATH BUT TAKING THE FIRST STEP ”**

Little did we know of the success and the position we would enjoy in the years to come, when we established our whole-spice trading unit in 1972, at Vadamalapeta, Andhra. From a whole-spice trading unit to one of India's pioneers in seasonings and flavours, our story is the testimony of innovation, perseverance and passion.

Since inception, we, at TRK, are in the constant endeavour to push the envelope, keep up with the trend & become the best possible version of ourselves. At present, we offer creative integrated solutions for Snacks, QSR, Convenience Food, Dairy, Bakery, Beverage, Desserts, Confectionery, Gravies & Sauces segments across Food & Beverages.

Our JOURNEY

**“TRUE SUCCESS IS NOT THE DESTINATION,
IT'S THE JOURNEY”**

We take immense pride in our journey of constant innovation and development. We thoroughly understand international preferences and acknowledge one's beliefs of sticking to the roots. Hence, we offer an extensive range of solutions for the unconventional as well as for those who like it classic.

1972

Planted the seeds of our vision in the heartland of Indian spices, Alleppey, Kerala

1993

1st Seasonings plant established in India. TRK became the supplier of seasonings to one of the world's leading QSR chains.

2006

Acquired Beta Chemicals to add flavour capability

2013

India Value Fund – One of India's largest PE funds with over 1.5 Billion Dollars under management, partnered with TRK.

2016

TRK commissions two new state-of-art manufacturing facilities – Flavours in Rabale, Navi Mumbai and Seasonings in Vadamalapeta, Andhra.

2019

Firmenich acquires a majority stake in TRK to become a Joint Venture.

Our **PILLARS**

INNOVATION

Keeping up with the latest trends is the need of the hour & we make it appoint to instill innovation across all our solutions. Our R&D team works in tandem with chefs to help you stand out in the market.
