

ALCOHOL FLAVOURS

A COLOURFUL LIQUOR PALLET

Spirit or alcohol is one of the basic quenchers lifting the spirit of a party. And for the Indian crowd, the new-generation is all about experimentation in their every toast; clinking their way to a heady sip.

With the consumption of alcohol in India growing at a steady pace, customers are more open to the idea of experimenting even in spirits. Hence, our team of innovators at T-Create are busy curating perfection in flavours, ready to be served.

Promising a burst of flavours in every serving, the variety poured out is breathtaking. From adding a fruity twist to country liquor to adding an oaky & spicy undertones in browns & bitters, the options are sure to leave your customers asking for a refill.

Brown: Whiskey / Rum / Brandy

Rum, Brandy and Whiskey together make up this category. Your consumers will be left stunned with the range we have to offer right from the fruity Tennessee type whiskey to the vanillic tasting coffee rum beverages.

Bitters

They range from spicy aromas to sweet pettily tasting rose bitters. We have chosen to keep the aura and feel intact and just tiptoe around it by giving it different flavours.

A RAINBOW OF FLAVOURS TO CHOOSE FROM

Our range of offerings are:

Whites: Vodka / Rum / Gin

Vodka, rum and gin make up this category of alcoholic beverages. The smoothness of Vodkas, the sharpness of Rums and the woody undertone of gin are all very distinctive.

Country Liquors

From minty to rich flavours, we have churned out innovation after innovation and left no stone unturned in the country liquors category too. Functional beverages have also been experimented with flavours such as Irish coffee and energy drinks.

Take a tour of our wide range of alcoholic beverages before your customers can take a sip.

Pharmaceuticals

We've explored several over-the-counter products right from tablets, lozenges to oral liquids. With the inclusion of our expertise, each product will look and feel different while still maintaining its effectiveness and purpose.

OUR OFFERINGS TO THE PHARMACEUTICAL SPHERE.

We majorly deal in:

Functional beverages

Such as malt drinks and energy drinks are our go-to for when we feel low and deprived of energy.

Dietary supplements

A lifesaver for most and a supplement that helps those who are on a mission to good health. The icing on the cake here is that your customers get variety while looking for health-enhancing supplements such as vitamins and protein supplements.

Nutraceuticals

Nutrition based pharmaceuticals that help supplement your health if and when you fall short. The range of flavours for malt drinks and energy drinks are currently limited and we believe that should change. TRK allows your consumers to explore an array of untried flavours.

Explore our flavourful innovations
in the pharmaceutical realm.
